MOTION BY SUPERVISOR MICHAEL D. ANTONOVICH

FEBRUARY 6, 2008

RESTAURANT GRADING SYSTEM

Ten years ago, I directed the Los Angeles County Department of Public Health to initiate a series of improvements to its restaurant and food facility inspection program, including the adoption of a letter grading system. These improvements have not only provided consumers with greater access to information, but have also reduced health risks for the community overall.

I, THEREFORE, MOVE that the Board of Supervisors direct the Director of Public Health to report to the Board as a set item on February 6, 2008 at 2:00 p.m., on the 10-year anniversary of the restaurant grading system and other program improvements.
